

A scuba diver in a yellow and black wetsuit is swimming horizontally in clear blue water. The diver is wearing a black mask, a blue oxygen tank, and blue fins. Bubbles are rising from the diver's breathing apparatus. Below the diver, a vibrant coral reef is visible, featuring various types of coral in shades of yellow, orange, and brown. The background is a deep blue gradient, suggesting the open ocean.

India Squad

Anees Adenwala

Ocean Veteran & Dive Maestro

With over 29 years of experience and 12,000 dives under his belt, Anees is basically a fish—one of India's first SCUBA instructors and a pioneer in Lakshadweep. A certified CMAS and PADI MSDT, he's led dives in some of the world's most stunning spots and helped set up dive centers in uncharted waters. If you can dive it, Anees has probably already mastered it. Dive into adventure with the man who's seen it all!

Azeem Harianawala

Scuba Sensei & Ocean Photographer

With over a decade of diving experience and 2,500+ dives, Azeem knows the ocean like the back of his hand. As a PADI Master Scuba Diver Trainer (MSDT) and underwater photography expert, he's not just teaching you to dive—he's making sure you fall head over fins for the ocean. Whether he's training future divers or capturing underwater magic with his camera, he knows how to make every dive unforgettable. Dive in with Azeem, and the ocean will never look the same!

Zahaan Adenwala

Dive Master & Underwater Extraordinaire

With over 800 dives and certifications as a PADI Dive Master and CMAS Level 3, Zahaan is passionate about training the next generation of divers. Whether he's leading exciting dive trips, guiding students through their certification courses, or assisting with underwater shoots and actor training, Zahaan is committed to making sure divers not only learn but thrive beneath the surface. Dive in with Zahaan, and you'll be in great hands as you discover the underwater world!

Holly

**Industry Leading
PADI Course Director**

With over 20 years in the diving industry, Holly is a force to be reckoned with.

Awarded the PADI Platinum Award, “Elite-300”, and multiple “Professionalism” and “Commitment” Awards, she’s trained hundreds of professional divers worldwide.

From teaching instructors to diving in global hotspots, Holly’s passion for professional dive training is unmatched. As one of the top certifying PADI Course Directors in the world, Holly’s the dive expert who turns passion into profession. Ready to dive into your future? Holly’s your guide!

Elizabeth 'Blair' Lindsay

**Master Scuba Diver Trainer &
Dive Medic Extraordinaire**

Blair’s got over 3,000 dives under her belt and a certification as a Diver Medic, so you’re in safe hands no matter what the ocean throws your way. A bubbly personality, she’s a pro when it comes to technical dives and recreational training. Blair dreams of diving at Bikini Atoll and meeting a blue shark. After a day of diving, nothing beats a good sleep for her—but before that, she’s all about making your dive experience unforgettable!

Kriti Shanbhag

Open Water Scuba Instructor

With a stack of certifications—Deep Diver, Wreck Diver, Nitrox Diver, and more—Kriti’s all about exploring the deep. Known for her flexibility (literally—she can fit into a mesh bag!), she loves yoga, drawing, and after a dive, you’ll find her indulging in a plate of biryani. Her dream dives? Komodo and Mexico, where she hopes to see a sperm whale. Ready to dive into an adventure with Kriti? You’ll get more than just great diving; you’ll get a whole vibe!

Coral Propagation with Marine Scientists

Ready to dive into ocean conservation? With Yellow Octopus Co.'s Coral Propagation course, participants can become true coral heroes!

Guided by Marine scientists, they'll learn eco-friendly techniques to restore hard coral in the beautiful Sanur area.

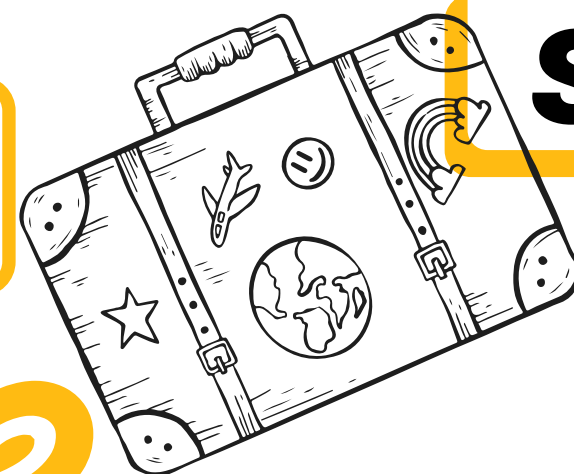

By using natural supports, participants help rebuild the reef without adding plastic structures.

It's time to help bring the reef back to life – one coral at a time!
